Information Provided To The Consumer In Relation To The Stipulation Of A Distance Contract

Dear customer,

the insurance contract you have undersigned is defined, in accordance with Legislative Decree 206/05, as a distance contract, i.e. "a contract which is stipulated between the consumer and the supplier, ACE European Group Ltd., by utilizing one or more techniques of remote communication until the time of stipulation of the contract, including the stipulation of the contract itself".

In accordance with Article 67 *quater* of Legislative Decree 206/05, the following should be noted in relation to the Consumer Code:

- a consumer is any natural person who acts for reasons which do not fall within the framework of his/her entrepreneurial or professional activities;

- ACE European Group Ltd. with its registered office in London (UK) EC3A 3BP, 100 Leadenhall Street and controlled by the group Chubb Limited, is authorized and subject to the supervision of the Prudential Regulation Authority, 20 Moorgate, London EC2R 6DA UK (the Supervision Authority of insurance services in the UK) and is recorded at the Registry no. 202803

(https://register.fca.org.uk/ShPo_FirmDetailsPage?id=001b000000MfKotAAF). The contract is concluded with the General Agent for Italy - with registered office in Milan, Viale Monza, 258-20128 Milan - CF - P.I. -R.I. 04124720964 - R.E.A. n. 1728396, website <https://www.chubb.com/it>. The regulatory systems in other countries in which it operates ACE European Group Limited - General Agent for Italy may differ in whole or in part from the existing one in the United Kingdom. The activity of ACE European Group Limited-General Agent for Italy on the Italian market is regulated dall'IVASS that has authorized to transact insurance business under the freedom of establishment, with registration number to list of insurance companies No I.00043;

- the proposed insurance contract is regulated by the following Insurance Terms and Conditions pursuant to the Master policy no. ITBOTY05336, Form ITBOTY05336_RY0001 if these Terms and Conditions correspond to your expectations. The premium which is payable for the subscription of the contract is equal to that reported in the Subscription Certificate.

- the Insured will retain the right to unilaterally withdraw from the policy without having to specify a reason:

- o within 48 (forty eight) hours prior to the date of arrival in Italy;
- o only in those cases in which the policy was bought within the 14 (fourteen) days prior to the date of arrival in Italy, the right described above can also be exercised after the date of arrival in Italy. In this case, the withdrawal rights must be exercised within 14 (fourteen) days from the date of purchase/subscription to the Master policy.

In case of withdrawal, the policy premium will be reimbursed, net of any taxes that are due if already paid by the Company, and without the application of any penalty.

Complaints

We aim to provide a high quality service at all times, but occasionally mistakes do happen. If for any reason you are unhappy with our service, we would like you to tell us, so that we can try to put things right. We can usually resolve most issues quickly.

Any complaints regarding the contractual relationship or claims management should be sent by writing to following addresses:

ACE European Group - Ufficio Reclami, Viale Monza, 258 – 20128 Milan

Email: ufficio.reclami@chubb.com

Fax: +39 02.27095.430

In order to allow a better assessment of your complaint, please:

- indicate the policy number and / or the number of claim, when possible;
- provide all the details about your case;
- specify what type of solution you would like to be adopted.

If the party concerned is unsatisfied with the result of the complaint or if no reply is received within a maximum of 45 days of the date of receipt by the Company, it is possible to contact IVASS - User Protection Service - Via del Quirinale, 21 - 00187 Rome, enclosing with the report the documentation relating to the complaint processed by the Company using the form that may be viewed at the following address:

http://www.ivass.it/ivass_cms/docs/F2180/Allegato2_Guida%20ai%20reclami.pdf.

In relation to disputes concerning the quantification of damages and the attribution of liability, please recall that exclusive responsibility remains with the Judicial Authority, in addition to the right to make recourse to reconciliation systems, if any. Complaints may also be addressed to the Financial Ombudsman Service (FOS), of which ACE is a member, at: FOS, South Quay, 183 Marsh Wall, London, E14 9SR, Tel. 0044.845.080.1800, email: enquiries@financial-ombudsman.org.uk.

To resolve cross-border disputes, it is possible to submit a complaint to IVASS or directly to the competent foreign system, by requesting the activation of the FIN-NET procedure.

European online dispute resolution platform

If the insurance policy was acquired online or by means of electronic communications instruments (i.e., phone, SMS, fax or any other mobile device) and the policyholder or the insured cannot contact us directly through the Financial Ombudsman Service (FOS), it is possible to submit a complaint through the European online dispute resolution platform - available at <http://ec.europa.eu/consumers/odr/>.

In that case, the complaint will then be brought to the attention of the Financial Ombudsman Service as well as the Company in order to obtain a reply. The Policyholder is advised to take into account that in that case the complaint may not be transmitted immediately and that therefore there may be a brief delay before the Company receives it. In any event, if you would like to rely on the services of reconciliation bodies to access alternative out-of-court instruments for the resolution of disputes which do not envisage access to the ordinary judicial authority, the policyholder and the insured may consult the Register of those bodies held by the Ministry of Justice and available online at:

Chapter 2 – Purpose Of The Insurance

Art. 1) Area of effectiveness

The insurance coverage of this policy, which is detailed below within the Chapter “Insurance cover benefits and relative limitations” covers:

1. the period of Insured stay in Italy, seat of Rotary Youth Exchange Program (YEP), so long as the stay is *duly authorized in advance by MD Italia or by the relative Associated District, in accordance with currently effective rules for the travels of exchange students of Rotary International*. The period of stay in Italy also includes leisure trips abroad, *if authorized in advance by the hosting Associated District and organized by the latter or by the hosting family or by the school, and within a limit of 30 (thirty) total days, even non-continual*. *Travel on the part of the Insured within his/her country of origin is, in any case, excluded.*
2. *the journey of the Insured from the moment he leaves his home / residence to go to the host Country and from the moment he leaves the host Country to return to his residence, as stated in the related travel documents.*
This additional coverage period may not exceed a maximum of 48 h before the Insured arrival in Italy and 48 h after the Insured departure from Italy, with the exception of objective and external impediments that occurred during the journey, which can be duly documented and not attributable to the Insured’s will, which prevent journey fulfillment within 48h.

This insurance contract is not a healthcare policy.

Art. 2) Insurable parties

The Company insures natural persons *whose age is less than 30 and which participate in the youth exchange program of Rotary International as hosts and for whom the relative insurance premium has been paid.*

The list of insured parties is communicated from the Policyholder to the Company by means of brokers and the name of the Insured student is entered within the Subscription Certificate.

Art. 3) Criteria for subscribing the insurance

The insurance must be subscribed:

- *by means of a broker (website: www.larizzaconsulting.com - section Rotary YEP);*
- *by a natural person that is capable of acting or by a legal person;*
- *within 24 (twenty-four) hours prior to the coverage effective date, as stated on Subscription Certificate.*

Chapter 3 – Insurance Cover Benefits And Relative Limitations

Art. 4) Travel assistance

In case of accident or sudden disease the Insured must contact **Chubb Assistance** immediately for travel assistance services, hospital in-patient treatment, specialist treatment, medical tests, scans or Medical Repatriation.

If **Insured** cannot do this himself, Insured must arrange for a personal representative (for example a parent) to do this for him. If this is not possible due to any force majeure or because Insured condition is serious, Insured or his personal representative must contact **Chubb Assistance** as soon as possible.

If **Chubb Assistance** is not contacted, **Chubb** may reject the Claim or reduce the payment.

Insured should have details of this Policy, including the Certificate of Insurance number, which should be provided to **Chubb Assistance**.

Chubb Assistance is available 24 hours a day, 365 days a year at following contacts:

- ☎: 800 658658 (from Italy)
- ☎: +39 02 24128 371 (from abroad)
- ✉: centrale.operativa@imaitalia.it

PURPOSE

Chubb organizes and supplies *the following services* 24 hours per day through **Chubb Assistance**.

In the case of consulting services or information, if it is not possible to provide the Assistance immediately, the Insured Parties will be called back within the next four working hours.

The coverage pursuant to this article will be effective from 00:00 h on Coverage effective date until 24:00 h on Coverage end date, as stated on Subscription Certificate and in any case, for a maximum period of 365 days from Coverage effective date.

The coverage is not effective when the Insured is abroad, with the exception of leisure travel that is *duly authorized in advance by the hosting Associated District and organized by the latter or by the hosting family or by the school, and within a limit of 30 (thirty) total days, even non-continual.*

The coverage is not applicable when the Insured is located within his/her country of residence/origin, except for the period in point 2 of art. 1) "Area of effectiveness" here above.

EXCLUSIONS

All insurance benefits are excluded if the Insured has not contacted the Assistance Centre in advance. Besides the exclusions applicable to all covers, any indemnities, benefits, consequences and/or events deriving directly or indirectly from one of the following are also excluded:

- *cases in which the Insured (or a party acting on behalf of the latter) disregards the instructions of the Assistance Centre, or requests to be discharged from a healthcare facility in which he/she is hospitalized against the advice of the healthcare staff of this facility; or refuses a healthcare transportation/transfer. In the latter case, the Company will immediately suspend the Assistance as well as the coverage of additional medical expenses that accrue as of the day following the refusal to accept transportation/medical transfer in Italy;*
- *requests for assistance in the country of residence/origin of the Insured.*

The Company is not required to pay:

- *costs sustained during the trip, of any nature, if the Insured refuses repatriation when he/she has already been declared suitable to travel from a medical perspective (Fit to fly);*
- *costs for therapies which, on the basis of the judgement of the physicians of the Assistance Centre, are deemed unnecessary or which can be deferred given that they do not prevent the Insured from continuing the trip;*
- *expenses sustained after the return to one's domicile/residence due to situations resulting from illnesses that began during the travels.*

INDEMNIFIABILITY CRITERIA

Assistance services are only supplied following a contact made with the Assistance Centre and the relative authorization of the latter. The Company is not required to pay compensation in the place of any due assistance guarantees.

Art. 5) Medical expenses

In case of accident or sudden disease the Insured must contact **Chubb Assistance** immediately for travel assistance services, hospital in-patient treatment, specialist treatment, medical tests, scans or Medical Repatriation.

If **Insured** cannot do this himself, Insured must arrange for a personal representative (for example a parent) to do this for him. If this is not possible due to any force majeure or because Insured condition is serious, Insured or his personal representative must contact **Chubb Assistance** as soon as possible.

If **Chubb Assistance** is not contacted, **Chubb** may reject the Claim or reduce the payment.

Insured should have details of this Policy, including the Certificate of Insurance number, which should be provided to **Chubb Assistance**.

Chubb Assistance is available 24 hours a day, 365 days a year at following contacts:

☎: 800 658658 (from Italy)

☎: +39 02 24128 371 (from abroad)

✉: centrale.operativa@imaitalia.it

PURPOSE

If the **Insured** must sustain, **during the trip**, any medical expenses due to:

1. accident; or
2. sudden disease;

Chubb Assistance will pay directly onsite medical expenses specified below up to the amounts stated below.

Only in cases where **Chubb Assistance** cannot provide for direct payment, the expenses will be reimbursed so long as they have been authorized by **Chubb Assistance** itself and which must, even in this case, be contacted in advance.

The costs incurred will be reimbursed on submission of appropriate documentation both medical and tax and up to the related limits.

In cases of medical expenses reimbursement:

- the claim will be raised with the assistance of LC Larizza Consulting (the Broker);
- using also the certified e-mail to send the documentation to **Chubb**.

IMPORTANT: The Insured must not take any initiative without having first telephoned Chubb Assistance, except any force majeure cases duly documented. In the event that the insured is unable to contact Chubb Assistance in advance, even through third parties, it will be charge of the Insured to prove the urgency of the incurred costs and the inability to contact Chubb Assistance.

INSURANCE LIMIT

This coverage is applicable in accordance with the insurance limits specified below and valid per Insured or per event and insurance period:

Coverage	Insurance limit	Deductible
1. Expenses for medical fees, hospitalizations, surgeries, hospital therapies and/or initial hospital admission (including day hospital), medical visits and pharmaceutical expenses <i>so long as these are used with a medical prescription.</i>	Overall up to € 944,500.00 per Insured	No
2. Expenses for medical fees, hospitalizations, surgeries, hospital therapies and/or initial hospital admission (including day hospital), medical visits and pharmaceutical expenses <i>so long as these are used with a medical prescription due to accidents which occurred during amateur sports activities.</i>	Overall up to € 20,000.00 per Insured	€ 40 per claim
3. expenses for chiropractic therapies <i>so long as these are used with a medical prescription.</i>	Up to € 400.00 per claim (up to 10 visits with a maximum of € 40 per claim)	No
4. expenses for urgent dental treatment.	Up to € 300.00 per tooth, up to max € 2,000.00	No

Effect And Duration Of The Coverage

The coverage pursuant to this article will be effective from 00:00 h on Coverage effective date until 24:00 h on Coverage end date, as stated on Subscription Certificate and in any case, for a maximum period of 365 days from Coverage effective date.

The coverage is not effective when the Insured is abroad, with the exception of leisure travel that is *duly authorized in advance by the hosting Associated District and organized by the latter or by the hosting family or by the school, and within a limit of 30 (thirty) total days, even non-continual.*

The coverage is not applicable when the Insured is located within his/her country of residence/origin, except for the period in point 2 of art. 1) " Area of effectiveness" here above.

Exclusions

Besides the exclusions applicable to all covers, the insurance coverage does not cover all those cases where the Insured did not contact the Assistance Centre in advance (and, in any case, any independent initiative without the prior authorization of the latter) or if the Insured disregards instructions received from the Assistance Centre.

The Company will not sustain expenses deriving from:

- *rehabilitation therapies;*
- *the acquisition, application, maintenance and repair of prosthodontic and therapeutic devices;*
- *the cure or elimination of physical defects or innate deformities, applications of aesthetic nature, thermal and weight-loss therapies and dental care not resulting from accidents;*
- *acquisition and repair of glasses, contact lenses;*
- *any sport which is exercised professionally or which, in any case, involves direct or indirect remuneration.*

Coverage is also not due for accidents that are caused or which depend upon:

- *diseases which are the expression or direct consequence of chronic pathologies or which began prior to the start of the trip and which were known to the Insured;*
- *natural childbirth or with a caesarean section;*
- *voluntary abortion;*
- *pathological states which derive from pregnancy after the 26th week of gestation and from the puerperium;*
- *voluntary discharge of the Insured against the advice of the healthcare personnel of the facility where the Insured is hospitalized.*

The Company is also not required to pay:

- *costs sustained during the trip, of any nature, if the Insured refuses repatriation when he/she has already been declared suitable to travel from a medical perspective (Fit to fly);*
- *costs for therapies which, on the basis of the judgement of the physicians of the Assistance Centre, are deemed unnecessary or which can be deferred given that they do not prevent the Insured from continuing the trip;*
- *expenses sustained after the return to one's domicile/residence due to situations resulting from illnesses that began during the travels.*

Indemnifiability Criteria

The Company will sustain any costs, with direct onsite payment by the Assistance Centre.

In the case of hospitalization, the coverage will be provided until the date of discharge or until the time when the Insured will be considered – at the unquestionable judgement of the Company's physicians – to be repatriated.

In cases where the Company cannot provide for direct payment, the expenses will be reimbursed so long as they are authorized by the Assistance Centre itself and which must, even in this case, be contacted in advance.

Following an evaluation of received documentation, the Company will proceed with the liquidation of the damages and the relative payment while applying a potential deductible, as specified in the table above.

Art. 6) Travel accidents

Purpose

The Company will pay compensation for any direct, exclusive and objectively determinable consequences to the Insured resulting from a travel accident.

The insurance extends to accidents sustained by the Insured during airline trips as a passenger (but not as a pilot or another member of the crew) on airplanes and helicopters offering public service and operated by regular airlines which possess the required valid certifications, including charter

flights, extraordinary flights managed by regular traffic companies as well as flights on military planes during regular civilian traffic and transfers flights on airplanes of private companies with professional pilots but excluding, for the latter, transoceanic flights.

Insurance Limit

The insurance limit in the case of death is equal to € 80.000,00 per Insured. This sum is decreased to € 20.000,00 per Insured if the accident occurs when the Insured is participating in amateur sports activities.

If, on the other hand, the accident results in one or more of the following injuries and these occur within 365 (three hundred sixty five) days from the day in which the accident occurred, the Company will pay an indemnity to the Insured which is equal to the following percentages applied to the sum insured in the abovementioned case of death:

Loss of two or more limbs	100%
Loss of one limb	50%
Loss of a thumb and index finger of the same hand	50%
Quadriplegia	100%
Paraplegia	50%
Hemiplegia	50%

The loss of a limb (or even just a foot or a hand) is defined as the loss at the height or above the wrist or ankle.

In the case of any event which involves multiple Insured Parties, the maximum disbursement on the part of the Company may not overall exceed the amount of € 400,000.

In addition, the sum of the capital amounts of this policy and other travel policies undersigned by the Insured - or third parties on behalf of the Insured - with ACE European Group Ltd for the same risk will not exceed the limit of € 80,000.00 for death and € 80,000.00 for permanent disability.

In the case that the overall insured capital amounts exceed the abovementioned amounts, the compensation which will be due in the case of a loss will be adjusted with a decrease and with a proportional allocation to the individual contracts.

EFFECT AND DURATION OF THE COVERAGE

The coverage pursuant to this article will be effective from 00:00 h on Coverage effective date until 24:00 h on Coverage end date, as stated on Subscription Certificate and in any case, for a maximum period of 365 days from Coverage effective date.

The coverage is not effective when the Insured is abroad, with the exception of leisure travel that is *duly authorized in advance by the hosting Associated District and organized by the latter or by the hosting family or by the school, and within a limit of 30 (thirty) total days, even non-continual.*

The coverage is not applicable when the Insured is located within his/her country of residence/origin, except for the period in point 2 of art. 1) "Area of effectiveness" here above.

EXCLUSIONS

Besides the exclusions applicable to all covers, accidents which occur on flying devices used for entertainment/sports purposes (hang glider, gliders, paragliders) are excluded.

Flights on airplanes and helicopters of flight clubs as well as air travel in which the Insured participates as a pilot or member of the crew remain explicitly excluded.

Accidents deriving from the implementation of specific activities for military service during recruitment for mobilization or for reasons of exceptional nature are always excluded.

•

INDEMNIFIABILITY CRITERIA

The Company will pay compensation for any direct, exclusive and objectively determinable consequences to the Insured resulting from an accident If, at the time of the accident, the Insured is not physically healthy and whole, *only the consequences which would have occurred if the accident had affected a physically healthy and whole person will be applicable.*

The Company will liquidate the compensation due for permanent disability after deducting a straight deductible of € 200.00 per claim.

The Company will disburse the insured sum even when the body of the Insured – following one year from his/her disappearance - is not found so long as the cause of death is presumably ascribable to an accident eligible for compensation on the basis of this policy.

If the Insured is subsequently proven to be alive, the Company retains the right to be reimbursed for the paid sum.

Compensation in the case of death is not accumulable with that for permanent disability. However, if – after the payment of an indemnity for permanent disability and within two years from the date of the accident and as a result of the latter – the Insured dies, the Company will pay the difference between the disbursed indemnity and the amount insured in case of death if the latter is greater, and will not request a reimbursement if it is not.

Art. 7) Travel interruption

PURPOSE

The Company – in the case of use of the benefits “Medical repatriation” or “Evacuation for safety reasons” - reimburses the Insured, *within the stipulated insurance limit* - an amount equal to the pro-rate value of the interrupted trip that was not completed by the Insured.

INSURANCE LIMIT

The insurance limit is equal to € 2,400.00 per Insured.

EFFECT AND DURATION OF THE COVERAGE

The coverage pursuant to this article will be effective from 00:00 h on Coverage effective date until 24:00 h on Coverage end date, as stated on Subscription Certificate and in any case, for a maximum period of 365 days from Coverage effective date.

The coverage is not effective when the Insured is abroad, with the exception of leisure travel that is *duly authorized in advance by the hosting Associated District and organized by the latter or by the hosting family or by the school, and within a limit of 30 (thirty) total days, even non-continual.*

The coverage is not applicable when the Insured is located within his/her country of residence/origin, except for the period in point 2 of art. 1) " Area of effectiveness" here above.

EXCLUSIONS

The Company will reimburse the portion of the trip not utilized by the Insured on a pro-rate basis. Besides the exclusions applicable to all covers, travel tickets and management costs are always excluded.

INDEMNIFIABILITY CRITERIA

The pro-rata amount will be calculated with respect to 100% of the value of the trip, *net of the value of travel tickets and management costs. In addition, a deductible of € 200.00 per claim will be applied.*

Art. 8) Baggage protection and personal belongings

PURPOSE

The coverage is applicable for *losses which occur during trips that are more than 50 km from the municipality in which the hosting family resides* and if the Insured sustains direct and material damages as a result of theft, theft with lock picking, robbery, object theft, damages due to the failure of the carrier/hotelkeeper to return the baggage and/or personal items, including clothes one was wearing at the beginning of the trip. The Company in this case will proceed with the reimbursement on the basis of the value of these items and *within the insurance limits.*

INSURANCE LIMIT

The overall insurance limit per Insured and for the duration of the trip is equal to € 1,500.00.

Without prejudice to the aforementioned limit, the maximum compensation per item, including bags, suitcases and backpacks, may not exceed Euro 150.00.

Photo/video equipment (camera, video camera, binoculars, flash, lenses, batteries, bags, etc.) are considered a single item.

In the case of theft, robbery, or loss of an Identity Card, Passport and Driver's License, the expenses sustained to again produce these documents - with evidence of expense - will be reimbursed, up to a maximum of Euro 100.00, in addition to the insurance limit.

EFFECT AND DURATION OF THE COVERAGE

The coverage pursuant to this article will be effective from 00:00 h on Coverage effective date until 24:00 h on Coverage end date, as stated on Subscription Certificate and in any case, for a maximum period of 365 days from Coverage effective date.

EXCLUSIONS

Besides the exclusions applicable to all covers, the following are excluded:

- *multimedia players, eyeglasses and sunglasses, battery chargers, watches, smartphones;*
- *cash, checks, stamps, travel tickets and documents, souvenirs, coins, art objects, collections, samples, catalogues, goods, helmets, professional equipment, documents other than ID cards, passports and driver's licenses;*
- *all losses which occur during trips on motorcycles of any type (even if the baggage is placed within a locked baggage holder);*
- *damages caused to sports equipment during their use;*
- *losses which occurred during camping trips;*
- *losses which occurred within a range of 50 km from the municipality in which the family hosting the Insured resides, with the exception of those which occur within the customs area of the airport;*
- *theft of baggage within a vehicle that was not regularly locked;*
- *theft or damages to goods covered by other insurance policies;*
- *theft of baggage contained within a vehicle if this baggage was visible from the exterior;*
- *theft of baggage on board a vehicle which was not in a monitored garage between 8 pm and 7 am;*
- *fixed and service accessories of the vehicle itself (including radio and extractable music player);*
- *damages for which an authentic copy of the report - certified by the authorities of the location where the event occurred – is not produced;*
- *cases of forgetfulness, negligence or loss on the part of the Insured.*

INDEMNIFIABILITY CRITERIA

The damages are compensated – as a supplement to that reimbursed by the airline carrier or the liable hotelkeeper, and up to the limit of the insured sum – on the basis of the commercial value which the insured goods had at the time of the claim, and in accordance with the documentation supplied to the Company. In the case of objects that are acquired not more than three months prior to the occurrence of the claim, the reimbursement will be implemented on the basis of the purchase value, if proven by the relative documentation. In the case of damages, the cost of any repairs will be reimbursed following the presentation of an invoice. So-called objects of sentimental value will never be taken into account.

A deductible of € 150.00 will be applied to each claim.

Damages are also liquidated by applying the following limitations:

- *the following are cumulatively covered up to 50% of the specific insurance limit: damages to photo/video devices and photosensitive material, radio, TV's, recorders, any other electronic device, musical instruments, personal defence and/or hunting tools, SCUBA diving equipment.*
- *the following are cumulatively covered up to 30% of the specific insurance limit: damages to cosmetics, medicines, healthcare items, jewels, precious stones, pearls, objects with gold, silver and platinum, furs and other valuable items.*

The indemnifiable sum is also reduced by 50% for damages caused by the following:

- *theft of baggage contained within a vehicle that was regularly locked;*
- *theft of the entire vehicle.*

Art. 9) Unexpected expenses due to baggage delayed delivery

PURPOSE

If the Insured – following delivery of the baggage with a delay of more than 12 hours with respect to the official time schedule communicated by the carrier - is required to sustain unexpected expenses for the acquisition of strictly necessary toiletry and/or clothing items, the Company will reimburse these expenses within the stipulated limits.

INSURANCE LIMIT

The insurance limit for this coverage – per Insured and for the duration of the trip – is equal to Euro 200.00.

EFFECT AND DURATION OF THE COVERAGE

The coverage pursuant to this article will be effective from 00:00 h on Coverage effective date until 24:00 h on Coverage end date, as stated on Subscription Certificate and in any case, for a maximum period of 365 days from Coverage effective date.

The coverage is not effective when the Insured is abroad, with the exception of leisure travel that is *duly authorized in advance by the hosting Associated District and organized by the latter or by the hosting family or by the school, and within a limit of 30 (thirty) total days, even non-continual.*

The coverage is not applicable when the Insured is located within his/her country of residence/origin, except for the period in point 2 of art. 1) "Area of effectiveness" here above.

EXCLUSIONS

Besides the exclusions applicable to all covers, the following are excluded:

- *in the case of delayed delivery of the baggage within an airport that is within the range of 50 km from the municipality in which the host family of the Insured is located;*
- *all expenses sustained by the Insured after the receipt of the baggage.*

INDEMNIFIABILITY CRITERIA

Hours of delay will be calculated on the basis of the official arrivals timetable communicated by the carrier; the Insured will provide suitable documentation with regard to this timetable.

Art. 10) Personal liability

PURPOSE

The Company provides insurance coverage for civil liability of the insured person for the *facts of private life occurring during the period in which the insurance is in force.*

The Company is liable for the sums which the Insured must pay - when he/she is civilly liable in accordance with the law as compensation (capital, interest and expenses) of damages that were involuntarily caused to third parties as a result of death, personal injuries and damages to assets, persons and animals following the occurrence of an accidental event that occurred during the period of validity of the policy and pertaining to events of private life, *with the exclusion of any liability pertaining to professional activities.*

Damages to assets include only physic and/or chemical alteration occurred to them.

By way of non limiting example, the insurance coverage also includes damages caused by:

- ownership and use of bicycles;
- practice of camping, fishing, hobby modelling included motor modelling, and sport activities in general, including sport competitions that are not exercised at a professional level;
- explosion and burst of gas, appliances and equipment;
- ownership and / or use of domestic equipments and systems;
- damage to properties owned by the hotelier, even if caused by fire, during the stay in hotels, pensions and the like;
- use of toys of any type.

Dispute management - legal expenses

The Company shall have the right to take on, for as long as it is affected, the management of the claims either in Court or out of the Court, either civilly or criminally, in the name of the Insured, by designating, where necessary, lawyers or technicians and making use of all rights and actions which are due to the Insured itself.

Costs incurred for defending the action brought against the Insured will be borne by the Company, within the limit of an amount equal to one quarter of the maximum limit stated in the policy for the damage to which the claim refers.

Should the sum owed to the aggrieved party exceed the said threshold insurance amount, expenses are shared between the Company and the Insured in proportion to the respective interest.

The Company does not recognise expense met by the Insured for lawyers or technicians that are not designated by the Company itself and is not responsible for fines, penalties, or criminal justice expenses.

Persons not considered third parties

For the purposes of this insurance are not considered third parties:

- *employees or staff employed by the Insured;*
- *members of the Insured family: the spouse, forebears, descendants (legitimate, natural, and adopted), brothers and sisters, as well as any other relative or relative in-law, who are living with the Insured;*
- *persons whose names are indicated in the same Certificate of Insurance.*

INSURANCE LIMIT

The insurance limit is equal to € 400,000.00 per Insured.

This amount is reduced to € 4,000.00 per Insured in the case of damages caused to a home or to assets which belong to the hosting family with whom the Insured is domiciled in Italy.

Art. 20) Burden of proof

The party requesting compensation must prove the existence of all the elements of his/her right to compensation and must also allow for any investigations and verifications that are deemed necessary by the Company, including the suspension of medical privilege with respect to the physicians that visited and cured the Insured.

Chapter 8 – General Conditions

Art. 21) Exclusions applicable to all covers

The following cases are always excluded:

- cases known or predicted prior to the conclusion of the policy;
- diseases that are the expression or direct consequence of chronic pathological conditions or past the beginning of the trip and known to the Insured at the inception of the policy;
- travels within a territory where, at the time of departure, a prohibition or limitation (even temporary) - issued by a public authority of competence - was applicable;
- extreme trips in remote areas that are only reachable with the use of special vehicles;
- trips taken for the purpose of undergoing medical/surgical treatment;
- causes or events which cannot be objectively documented;
- fraud, voluntary and premeditated acts on the part of the Insured;
- illegal actions on the part of the Insured or violation, on the part of the latter, of norms or prohibitions of any government;
- unauthorized driving of motorbikes or motor vehicles, or without driving licenses;
- the driving of vehicles for which a license of category higher than B is prescribed, as well as of motorboats;
- solitary sailing or with boats not suitable or not equipped for use at sea;
- the practicing of aerial sports in general, extreme sports, any winter sports, acts of recklessness as well as any sport which is exercised professionally or which, in any case, involves direct or indirect remuneration;
- participation, even as a passenger, in sports competitions and related tests with or without the use of vehicles with engines unless these are conducted for recreational purposes;
- mountain hikes, except as taking place on roads and places that are accessible without difficulties to non-expert hikers;
- Consequences resulting from the abuse of alcoholic beverages or the non-therapeutic use of psychotropic drugs or narcotics;
- losses occurring as a result of risky manual working activities and/or work activities conducted at sea far from shore;
- losses which occurred during paid working hours;

- tornadoes, hurricanes, earthquakes, volcanic eruptions, floods, inundations, nuclear explosions, atmospheric phenomena with characteristics of natural calamities and other natural disasters. This exclusion is not operative for a maximum period of 7 (seven) days from the occurrence of the calamities if and to the extent that the Insured is surprised by the cited events during the "trip", in case none of these events occurred or were occurring at the time of departure;
- air, water, soil, and subsoil pollution or any other environmental damages;
- pathologies attributable to epidemics with pandemic features, as declared by the WHO, and whose severity and virulence require restrictive measures in order to reduce the risk of transmission to the civilian population;
- activities involving the use of explosives and / or firearms;
- quarantines.

“OFAC” LIMITATION FOR COUNTRIES EXPOSED TO INTERNATIONAL SANCTIONS

The Insurer shall not be required to provide coverage or will be obliged to pay any compensation or pay any benefit under this policy if the provision of such coverage, the payment of such compensation or recognition of such benefit would expose the Insurer to penalties, prohibitions or restrictions provided for by the United Nations resolutions or trade and economic sanctions provided for by the laws or regulations of the European Union and individual countries that are part, of the United States of America or conventions international.

ACE European Group Limited is a subsidiary of Chubb Limited, a U.S. company listed on the NYSE. Consequently, ACE European Group Limited is subject to certain U.S. laws and regulations regulations in addition to EU, UN and national sanctions restrictions which may prohibit it from providing cover or paying claims to certain individuals or entities or insuring certain types of activities related to following countries and territories: Iran, Syria, North Korea, North Sudan, Cuba and Crimea.

Art. 22) Policy subscribing limits

The subscription of multiple policies of the Company for the same risk – in order to increase the amount of insured capital and/or extend the duration of coverage – is not allowed.

Art. 23) Decrease in insured sums in the case of a claim

In the case of an indemnified claim, the sums insured for the individual policy coverage guarantees and the relative limits of compensation must be considered reduced - with immediate effect and until the end of the current insurance period – by an amount equal to that of the respectively indemnifiable damages, net of any potential deductibles or overdues and without a corresponding return of the premium.

Art. 24) Exclusion of alternative compensation

If the Insured does not utilize one or more Services/Coverage, the Company is not required to provide alternative services/indemnities of any type as compensation.

Art. 25) Uninsurable parties

The insurance coverage is not valid for individuals affected by alcoholism, drug addiction and AIDS.

It therefore remains agreed that, if one or more of these diseases or pathologies arise during the course of the agreement, the provisions of Article 1898 of the Italian Civil Code will become applicable, regardless of the effective evaluation of the state of health of the Insured.

In the case of inaccurate or incomplete statements, the provisions of Articles 1892, 1893, 1894 of the Italian Civil Code will become applicable.

Art. 26) Age limits

The insurance cover provided by this policy is only for individuals under 30 (thirty) years of age.

Art. 27) Declarations relative to the circumstances of risk

The Company provides coverage guarantees and determines the policy premium on the basis of the declarations supplied by the Insured/Policyholder who must therefore describe all circumstances which could influence the risk assessment. Inaccurate or incomplete statements may result in both a failure to compensate damages or reduced compensation as well as the potential withdrawal from, or cancellation of, the contract, in accordance with Articles 1892, 1893 and 1894 of the Italian Civil Code.

Art. 28) Communications and validity of changes

All communications under which the Policyholder and the Insured shall be required, shall be made, because they are valid, by registered letter, telex or fax addressed to the General Management offices in Italy or to the Branch offices, intermediary, Agent or Broker, to which the policy is assigned. Any modification of the contract is not valid if it is not by deed of variation signed by the parties.

Art. 29) Procedure to provide the insurance Terms and Conditions to the Insured

The policyholder is obliged to promptly provide, in digital or printed format, the Insurance Terms and Conditions and the Subscription Certificate to the Insured at the moment of the subscription to the Master policy.

in a durable medium in accordance with by current legislation.

Art. 30) Other insurances

If multiple insurance policies are stipulated with different insurers for the same risk, the Insured must notify each insurer of all insurance policies. If the Insured fraudulently omits to notify this information, the insurers are not required to pay the indemnities. In the case of a claim, the Insured must notify all insurers, in accordance with Article 1913 of the Italian Civil Code, specifying the name of the others to each insurer.

The Insured may request – from each insurer – the indemnity that is due in accordance with the relative contract *so long as the overall collected sums do not exceed the amount of the damages*. The insurer which paid the compensation retains the right of recourse with respect to all the other insurers for a proportional allocation of indemnities due on the basis of the respective contracts. If the insurer is insolvent, its quota is subdivided amongst the other insurers. *The Insured must also provide the Company with all documentation that may be useful for investigations and any verifications.*

Art. 31) Recovery rights

The Company is replaced, up to the paid sum, in all the rights and actions that the Insured and / or the Policyholder may have against those liable for any damages.

Pursuant to Article 1916 of the Italian Civil Code, except in case of fraud, replacement does not occur if the damage is caused by the Insured children, ascending, other relatives or related persons permanently living with him or servants.

Also excluded cases where the damage is caused by the Policyholder, his associates and / or by a hosting family member.

The insured is liable to the Insurer for any prejudice to the recovery right.

Art. 32) References to law

The insurance policy is regulated by Italian law. For all that not regulated herein, currently effective legal norms are applicable.

Art. 33) Disputes

In the case of disputes with respect to the nature and consequences of the accident (or disease), the Parties undertake to grant a mandate, by means of a private deed, to a board of three certified physicians within the limits of the Insurance Terms and Conditions. The decisions of this board will be taken with a majority of votes, with dispensation from all legal formalities. *The proposal to convene the Medical Board must be initiated by the Insured or by other entitled parties and must be drafted in writing with a specification of the appointed physicians;* subsequently, the Company will notify the Insured of the name of the physician which in turn it appoints. The third physician is selected by the Parties from a triad of physicians proposed by the first two; in the case of disagreement, the Secretary of the Order of Physicians with jurisdiction in the location where the Medical Board will meet will appoint the physician. After the third physician is appointed, the Company will convene the Board and will call upon the Insured to attend. The Medical Board will reside in the municipality with a legal medicine institute that is closest to the location of residence of the Insured. *Each of the Parties will sustain its own expenses and will contribute towards half of the expenses and fees of the third physician.* The decision of the Medical Board is binding for the Parties even if one of the physicians refuses to sign the relative minutes.

Art. 34) Court with jurisdiction

With regard to any dispute deriving from the application or interpretation of this policy, the court with jurisdiction will be that of the Policyholder.

Art. 35) Taxes

Fiscal charges pertaining to the insurance are charged to the Policyholder.

Art. 36) Prescription deadlines

Any right with respect to the Company is prescribed *within the deadline of two years from the date of the claim which generated the right to a Service/Coverage*, in compliance with the provisions of Article 2952 of the Italian Civil Code.

With regard to the insurance of Personal Liability, the deadline is effective as of the day in which the third party requested compensation to the Insured or initiated legal action against the latter. In accordance with Article 1915 of the Italian Civil Code, fraudulent default with respect to this obligation on the part of the Insured will result in the loss of the right to compensation. In the case of negligent omission of this obligation, the Insurer retains the right to reduce the indemnity in accordance with the sustained damages.

Art. 37) Right of withdrawal for the Insured

The Insured will retain the right to unilaterally withdraw from the policy without having to specify a reason:

- within 48 (forty eight) hours prior to the date of arrival in Italy;
- only in those cases in which the policy was bought within the 14 (fourteen) days prior to the date of arrival in Italy; the right described above can also be exercised after the date of arrival in Italy. In this case, the withdrawal rights must be exercised within 14 (fourteen) days from the date of purchase/subscription to the Master policy.

In case of withdrawal, the policy premium will be reimbursed, net of any taxes that are due if already paid by the Company, and without the application of any penalty.

In order to exercise the right to withdrawal, the Insured is required to communicate his/her intention of withdrawal to the qualified broker by email sent to rye@larizzaconsulting.it or by fax to no. +39.02.34.53.76.95 or by registered letter sent to LC Larizza Consulting srl, Via Monte Rosa 19, 20149 Milan. The broker will notify the Company of the withdrawal.

Informational Disclosure On Personal Data Handling

(Informational disclosure pursuant to Article 13 of Legislative Decree 196/03 – Personal Data Protection Code)

For Insured Parties of ACE EUROPEAN GROUP LTD

Personal data processing for insurance purposes: In order to provide you with the insurance services and/or products that you requested or which are stipulated in your favour, our Company must acquire your personal data – some data still to be acquired, some of which must be provided by you or by third parties by law, and/or previously acquired data from you or third parties – and must handle this data for insurance purposes. We hereby inform you that the data which is strictly necessary for the supply of the aforementioned insurance services and/or products will be handled by our Company as well as by third parties to which they are communicated. In the case of handling of specifically sensitive data that is strictly related to the supply of the aforementioned insurance services and/or products – the handling of which is allowed by the general authorizations issued by the Italian Personal Data Protection Authority – specific consent will be requested from you. In addition, and exclusively for the purposes mentioned above and always within the limitations of that falling under the strict competence of the specific relationship between you and our Company, we hereby inform you that the data, depending on the case, may or must be communicated to other entities within the insurance sector or to public entities which operate in Italy or abroad - as independent entities, i.e. those which constitute the so-called "insurance chain" and which handle personal data for purposes that are instrumental to the execution of the contract, partly even just for organizational purposes; it should be noted that, without your personal data, we would not be able to either totally or partially provide you with the aforementioned insurance services and/or products.

Modalities of use of personal data: The data are solely handled by our Company – the data controller – with modalities and procedures, even using IT and online modalities, that are strictly necessary in order to supply you with the insurance services and/or products that you requested or which are stipulated in your favour or, if you have provided consent, for market research studies, statistical studies and promotional activities; the same modalities and procedures are utilized even when the data are communicated for the aforementioned purposes to the parties already specified in this informational disclosure; these parties are in turn required to handle the data by only using the modalities and procedures which are strictly necessary for the specific purposes specified in this informational disclosure. Within our Company, personal data are handled by employees and collaborators within the realm of their respective roles and in compliance with the instructions they receive, always and exclusively for the attainment of the specific purposes specified in this informational disclosure; the same procedure is applied by the parties previously noted in this informational disclosure and to whom the data may be communicated. For certain activities, we utilized trusted parties – occasionally also operating abroad – which implement, on our behalf, tasks of technical or organizational nature; the same procedure is applied by the parties previously noted in this informational disclosure and to whom the data may be communicated.

Rights of the affected party: You retain the right to know, at any time, which of your personal data is being held by individual data controllers, i.e. by our companies or by the aforementioned parties to whom we communicate this data; you also retain the right to know how they are being utilized and have the right to have this data updated, integrated, adjusted or cancelled, or have them blocked or oppose their handling. In order to exercise your rights, as well as for more detailed information on the parties or categories of parties to which the data is communicated, or which acquire this data as managers or entrusted parties, you may contact our Manager who is responsible for responding to affected parties within ACE European Group Ltd. - General Representation for Italy – viale Monza 258 Milan (MI) – Tel. 02-270951– Fax: 02-27095333.
